Product Features:

- Sleek baffled design with the light source recessed back to reduce glare
- Option to be supplied with remote triac dimmable constant current LED driver
- 50° beam angle for uniform light distribution (non tilt option)

Product Specification:

Installation Type	Recessed
Input Voltage	220 - 240V
Luminaire Materials	Die Cast Aluminium
Lifetime L80	50,000
CRI	>80
IP Rating - Fixed	IP44
IP Rating - Adjustable	IP54 Front (IP20 Back)
Warranty	5 Years

Warranty:

This product has a warranty period of 5 Years. Warranties may be available on certain products as indicated in the product description. Warranties are valid from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment or installation. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserve the right to alter.
