## Line Drawing

## Product Features:

- Auto test
- Featuring a 180° rotatable design for flexibility
- Constructed with a PC housing and PMMA board
- Offers various mounting options to meet diverse needs
- Includes an energy-saving cinema mode ideal for theatre and cinema applications
- 3 Hour backup duration
- Non Maintained
- Accessories sold separately

## Product Specification:

Installation Type	Wall / Ceiling Mount
Input Voltage	200 - 240VAC
Luminaire Materials	PC and PMMA Board
Lifetime	50000
Battery	LiFePO4 3.2V 1500mAh
Test Function	Auto Test
Warranty Fitting	5 Years
Warranty Battery	3 Years

## Warranty:

This product has a warranty period of 3 Years. Warranties may be available on certain products as indicated in the product description. Warranties are valid from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment or installation. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserve the right to alter.
