## Product Features:

- Colour temperature can be switched between 3000K, 4000K and 6500K
- Fire retardant, made from high strength polycarbonate
- 1.5kV surge protection
- Sleek baffled design with the light source recessed back to reduce glare
- Low UGR baffle

## Product Specification:

Installation Type	Recessed
Input Voltage	220 - 240V
Luminaire Materials	Polycarbonate
Lifetime	25,000
CRI	80
IP Rating	IP20
Warranty	3 Years

## Warranty:

This product has a warranty period of 3 Years. Warranties may be available on certain products as indicated in the product description. Warranties are valid from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment or installation. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserve the right to alter.
