Product Features:

- Colour temperature can be switched between 3000K, 4000K and 6500K
- Wattage selectable
- Updated design with a push clip release mechanism at each end
- Delivering up to 150lm/W
- Hinged gear tray for fast installation
- Push-fit terminals
- Knock outs for cable entry on both ends
- Multiple BESA mounting points (matches traditional fluorescent)
- Adjustable light detector from 2-50 lux for microwave option
- Adjustable hold time of 5 seconds to 30 minutes for microwave option
- Opal polycarbonate diffuser for even light distribution
- Flicker free
- 2kV surge protection

Product Specification:

Installation Type	Surface & Suspended
Input Voltage	220 - 240V
Luminaire Materials	Metal & Polycarbonate
Lifetime	50,000
CRI	80
IK Rating	IK08
IP Rating	IP20
Warranty	7 Years

Warranty:

This product has a warranty period of 7 Years. Warranties may be available on certain products as indicated in the product description. Warranties are valid from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment or installation. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserve the right to alter.
